

HURRICANE MIDDLE SCHOOL

HOMEWORK POLICY

The homework policy at Hurricane Middle School has been developed to strengthen classroom instruction. It is expected that student's complete homework when assigned. It is the responsibility of the student to be familiar with this policy and the specific requirements for all assignments given by the teacher.

1. Teachers will keep track of all incomplete/missing assignments for students. It is the responsibility of the teacher to communicate to students at the beginning of the school year the definition of incomplete work for their class.
2. Upon accumulation of three (3) incomplete/missing assignments in a specific subject, the student will be assigned After School Detention (ASD) to complete the work.
3. The team will collectively decide the percentage of credit given to the work completed in ASD.
4. Students will begin with a "clean slate" after serving ASD for incomplete/missing work.
