

Dear Parent,

Hurricane Middle School is happy to offer a free afterschool tutoring program. It will run from 3:30-5:30 on Tuesdays, Wednesdays, and Thursdays.

Buses will transport students home after the tutoring session. If a student lives in a remote location, the bus driver may request that the parent meet him/her at a certain drop point. Parents who wish to provide their own transportation after tutoring may do so. Students can be picked up in the loop in front of the new building (parents can pick up students at door # 30). Please let us know what method of transportation your child will be using.

We believe students will greatly benefit from this program, and we hope that you will take advantage of this free tutoring opportunity. If you are interested in having your child participate in the afterschool tutoring program, please complete the following information and return it to the main office.

I give permission for my child, _____, to participate in the afterschool tutoring program.
